JOB POSTING
Instructional Specialist of Computer Science
(Raleigh County Campus)

Summary of Responsibilities:
The position demands frequent travel to lead and support the Bridging the Gap (BTG) grant strategies.
- Supports consortium-level career pathways development and refinement for Information Technology (IT) courses.
- Works with businesses in the IT sector to develop partnerships and communicate about training needs. Applies that development to curricular design and course implementation.
- Implements changes to IT courses and curricula at the institution, including working with the Registrar and department chairs to adjust program schedules.
- Works to develop course pathways that will accelerate credential attainment in IT, including working to develop clear protocols for Prior Learning Assessment and helping to develop gateway, bridge and capstone courses.
- Assists in the development of online, blended and remote delivery models for IT courses and assists in the implementation of those courses at the institution.
- Reports to Institution Transformation Leader and Dean regarding implementation of new courses and delivery methods at the institution.
- There will be release time for completion of these administrative duties. Will teach up to two (2) Computer Science/IT courses per semester.

Education:
Master's degree in a related field is required.

Experience:
- Minimum 3 years of experience in curricular design, instruction, or evaluation is required.
- Community college experience strongly preferred.
- Industry experience can substitute for academic qualifications where appropriate.

Candidates must successfully complete a background screening post-offer of employment.

Classification/Compensation:
This is an exempt, grant funded 12-month term faculty position working 37.5 hours per week and includes a full benefits package. Salary is commensurate with education and experience.
- This Term annual contract position could be renewed up to the grant ending date of September, 2016.

Application Process:
Only applicants meeting the minimum qualifications will be considered. Submit the following material: Cover letter specifying position of interest, employment application, and copies of college transcripts and certifications to the address below. For full consideration, application material must be received in Human Resources by November 14, 2014 at 4:00 p.m. Position is open until filled. All positions are subject to funding availability.
