*Estimated cost provided above does not include pre-requisite course tuition and fees. Please reference [www.newriver.edu/future-students/paying-for-college/tuition-and-fees](http://www.newriver.edu/future-students/paying-for-college/tuition-and-fees) for general education tuition and fees.

Immunizations, gas, tolls, and housing arrangements (if applicable) required for clinical education affiliations are the responsibility of the student and cannot be estimated by the OTA program.

Proof of current medical insurance coverage is mandatory for all students enrolled in the OTA Program. Students that do not have current medical coverage can obtain information regarding student insurance policy coverage through the Office of Student Services.

A total of 76 credit hours are needed for the Associate of Science Occupational Therapy Assistant degree. Please see the College catalog and/or the Occupational Therapy Assistant suggested sequence of study sheet for additional information.

*Estimates are based on program completion as a full-time student as outlined by the program curriculum. This information is to assist students in financial planning and may change at the discretion of New River Community and Technical College or the OTA program.
