NEW RIVER OFFERS TWO MINE SAFETY CLASSES IN SUMMERSVILLE IN JUNE

[SUMMERSVILLE, WV] New River Community and Technical College will offer two mine safety classes at the Workforce West Virginia Building in Summersville in June.

A 40-Hour Surface Mine Safety Pre-Employment Training Class will begin on June 7. This course, taught by Lloyd Collins and Terry Casto, will prepare participants for the certification exam that will be offered on the last day of class. This class will meet eight evenings from 5-10 p.m., concluding on June 16.

An 80-Hour Underground Mine Safety Pre-Employment Training Class, also taught by Collins and Casto, will run June 21- July 2. A certification exam will be offered on the last day of class. This class will meet 10 days, Monday through Friday from 8 a.m.-4 p.m.

Class size is limited and pre-registration is required by June 2 for the 40-Hour course, and by June 15 for the 80-hour course. Call New River Community and Technical College at (304) 872-4520 for more information on how to register. These classes will fill quickly.
