New River CTC to Offer 80 Hour Underground Mine Safety Course

[Summersville, WV] New River Community and Technical College will offer an 80 Hour Underground Mine Safety Pre-Employment Training Class starting March 15. This course, taught by Lloyd Collins and Terry Casto, will prepare participants for the certification exam administered on the last day of class. This class will meet 10 days, Monday through Friday from 8 a.m.-4 p.m. at the Workforce WV building in Summersville.

Call Mary Igo or Beverly McCutcheon in the Workforce Education Department of New River Community and Technical College at (304) 872-4520 for more information or to register. Class size is limited and pre-registration is required by March 10. This class will fill quickly.
