80-Hour Underground Mine Safety Course
Offered by New River CTC in Summersville

[SUMMERSVILLE, WV] New River Community and Technical College will offer an 80-Hour Underground Mine Safety Pre-Employment Training Class starting July 13. This 10-day class, taught by Lloyd Collins, will prepare students for the certification exam that will be offered on the last day of class. The class will meet from 8a.m.-4p.m. at the Workforce West Virginia office in Summersville, WV. The fee is $250.

Call Beverly McCutcheon or Mary Igo at (304) 872-4520 to make arrangements to register. Class size is limited and pre-registration is required.
