RUPERT STUDENT ADDED TO NEW RIVER SPRING SEMESTER DEAN’ S LIST

A Rupert woman has been added to the Dean’s List for the spring semester at New River Community and Technical College according to Dr. Harry A. Faulk, executive vice president and chief academic officer.

To be selected for the Dean’s List, a student must have taken 12 or more college hours, not counting developmental classes, and obtained a 3.25 or better grade point average for the semesters with no failing grades, Faulk said.

Pamela S. Brooks Hanna of Rupert, a student on the New River Greenbrier Valley Campus, qualified for the Dean’s List for the spring semester, but was inadvertently omitted from the list.

New River Community and Technical College serves nine counties in southeastern and central West Virginia from the Beckley Campus in the Harper Industrial Park; the Raleigh County Campus at the Public Higher Education Center in Beaver; the Mercer County Campus in Princeton and Bluefield; the Greenbrier Valley Campus in Lewisburg; and the Nicholas County Campus in Summersville.
