AMANDA BAKER JOINS NEW RIVER AS HUMAN RESOURCES REPRESENTATIVE

[BECKLEY, W.VA.] Amanda L. Baker has joined the staff of New River Community and Technical College as a human resources representative based at the administrative headquarters in Beckley, W.VA. The Crab Orchard resident began her duties with New River on May 10.

Baker had previously worked as a senior recruiter for Lab Support, an international professional staffing provider specializing in placing scientific and technical professionals into laboratory and manufacturing environments. She earned a bachelor’s of science degree in Biology from Coastal Carolina University in Conway, SC.
