NEW RIVER GREENBRIER VALLEY CAMPUS RENEWS PARTNERSHIP WITH
BATTLE OF LEWISBURG COMMITTEE

[LEWISBURG, WV] New River Community and Technical College Greenbrier Valley Campus is once again working in partnership with the Battle of Lewisburg committee in preparation for the re-enactment May 15-17.

Military re-enactors will be camped on the Greenbrier Valley Campus, located at the intersection of US 60 West and Church Street. The campus will be a focal point for the events surrounding the re-enactment of the four-hour battle which took place on the east side of Lewisburg.

“We always welcome the opportunity for lifelong learning for our students and our communities. The Battle of Lewisburg partnership enables this to take place with an exciting agenda of activities,” commented Roger Griffith, campus dean. “We open our Student Activities Center and Hollowell Auditorium for use by the re-enactment committee as sites for various educational programs.”

In addition, Griffith added, “We invite those attending the re-enactment to also visit the historic cemetery behind Carnegie Hall WV, which New River has adopted as a ‘history caretaker’ project by the students, staff, faculty and administration.”

The facilities of the Greenbrier Hall, the main office and classroom building for New River’s Greenbrier Valley Campus, are fully handicapped accessible and air conditioned. During the re-enactment, information concerning the areas of study and courses offered by New River Community and Technical College
Greenbrier Valley Campus will also be available in the Student Activities Center on the first floor of Greenbrier Hall.

History related classes offered during the summer terms will include American History, American Government and Economics, and State and Local Government.
