BEEKEEPING CLASS OFFERED BY NEW RIVER CTC IN SUMMERSVILLE STARTING FEB.14

[Summersville, WV] Beekeeping is a fantastic hobby which gives almost anyone an opportunity to learn more about nature and the role of the productive honey bee. New River Community and Technical College will offer an opportunity to learn about beekeeping through a 10-week course beginning Feb. 14. This in-depth course for beginners of all ages will be held on Thursday evenings from 6-8:00 p.m. at the WV Workforce Center on Northside Drive in Summersville.

Instructor Fred Williams will provide all of the information needed to start beekeeping. The course will include hands-on experience and an exciting field trip to broaden participants’ knowledge of this exciting and profitable hobby.

Beekeeping is just one of the many special interest topics that New River will offer this spring. Check the website calendar for regular updates on new courses at www.newriver.edu.

Call (304) 872-4520 to register for the beekeeping class. Class size is limited and pre-registration is required.
