BLOOD DRIVE SET FOR MARCH 17 ON NEW RIVER NICHOLAS COUNTY CAMPUS

[SUMMERSVILLE, WV] The Practical Nursing Student Organization at New River Community College is sponsoring its fifth annual Red Cross Blood Drive on Tuesday, March 17, in the commons area of the Nicholas County Campus, 6101 Webster Road in Summersville. The hours are 12 noon to 6 p.m.

Every minute of every day, someone needs blood. That blood can only come from a volunteer donor, a person like you who makes the choice to donate. There is no substitute for your donation. When you make a blood donation, you join a very select group. Currently only three out of every 100 people in America donate blood.

From its beginning, the American Red Cross has formed a community of service, of generous, strong and decent people bound by beliefs beyond themselves. The American Red Cross blood donor embodies this principle. Please support the Red Cross mission to maintain a safe and stable blood supply by taking time out from your St. Patrick’s Day celebration and donate blood at New River on March 17.
