NEW RIVER ANNOUNCES CNA GRADUATES, PLANS FOR NEW CLASSES

[LEWISBURG, WV] A new class of students interested in becoming Certified Nursing Assistants is being organized on the New River Community and Technical College Greenbrier Valley Campus in Lewisburg, WV.

Classes will begin in June and will run approximately four weeks. The program includes two weeks of classroom work conducted at the New River Greenbrier Valley Campus. Another two weeks will be clinical practice conducted at Genesis HealthCare in White Sulphur Springs.
“With a near record number of advertisements in area newspapers, radio, and television stations seeking CNA’s for hospitals, home health care agencies, and nursing and rehabilitation facilities, we are attempting to meet the Greenbrier Valley’s needs for this demanding profession,” noted Roger Griffith, dean of the New River Community and Technical College Greenbrier Valley. “With the first CNA class completed and on the job, we are anxious to start a new class in June.”

Students interested in the new program must have a high school diploma or GED and must be willing to undergo drug testing and a background check as part of the admissions process. The CNA program on the New River GVC is directed by Marilyn Kelley.

Those who completed the first CNA program are Connie Baldwin, Alderson; Jennifer Bruce, Lewisburg; Adele Dowdy, Union; Carrie Evans, Union; Tiffany Harrah, Gap Mills; Kim Jones, White Sulphur Springs; Stephanie McCoy, Rainelle; Richard Ratliff, Rupert; Christy Rooker, Alderson; and Wanda Young, White Sulphur Springs.

For further information and to register for the June class, telephone the New River Greenbrier Valley Campus at 304-647-6560 or write or visit the offices on the second floor of Greenbrier Hall at 101 Church Street, Lewisburg, 24901. Information about degree and certificate programs on all New River campuses can be found at www.newriver.edu.
