40 Hour Apprentice Electrician Class
Starts Dec. 8 at New River CTC

[SUMMERSVILLE, WV] New River Community and Technical College will offer a 40 hour Apprentice Electrician class beginning Dec. 8 at the Workforce Center in Summersville, WV. This evening course, taught by Warren Beam of the WVU Mining Extension Service, will prepare students for the Electrical Certification Exam.

This class is offered to individuals who are in an Apprentice Electrician Program approved by the Office of Miners’ Health Safety and Training and other qualifying individuals who need to take the Electrician Certification Examination. Other persons who would qualify include those with at least three years of experience performing electrical work in the mining industry, or an individual who has an electrical engineering degree and six months of experience in performing electrical work in the mining industry.

Call Beverly McCutcheon or Mary Igo in the New River Office of Workforce Education at (304) 872-4520 to register. Class size is limited and pre-registration is required. The class will fill quickly.
