NEW RIVER CTC OFFERS MINE ELECTRICIAN RETRAINING COURSE

[Summersville, WV] New River Community and Technical College will offer a mine electrical retraining course in December. Every mine electrician in West Virginia must complete eight hours of electrical retraining during the calendar year, and it must be completed by December 31.

This training opportunity is scheduled for Friday, Dec. 18, from 8 a.m. – 4 p.m. at the Summersville WV Workforce Center, 830 Northside Drive in Summersville, WV. The highly qualified instructor is Ireland Sutton, who has been teaching this certification course for 14 years.

If you have not yet completed your annual retraining, don’t let this last opportunity pass you by. Please call New River CTC at 872-4520 for more information. Class size is limited and pre-registration is required.
