New River CTC Offers Mine Electrician Retraining Courses

New River Community and Technical College will offer three mine electrical retraining during October. Every mine electrician in West Virginia must complete eight hours of annual electrical retraining during the calendar year. Training must be completed by Dec. 31. The highly qualified instructor for this course is Ireland Sutton, who has been teaching this certification course for 14 years.

Trainings will be held on the Nicholas County Campus in Summersville on Friday, Oct. 30 and Saturday, Nov. 7, and on the Beckley Campus on Saturday, Oct. 31.

Call the New River Workforce Education Department at (304) 872-4520 for more information. Class size is limited and pre-registration is required.
