NEARLY 100 REGISTER AT NEW RIVER GVC DURING SECOND ORIENTATION

Nearly 100 new full-time students registered for classes Thursday, July 16, at the New River Community and Technical College Greenbrier Valley Campus’ second orientation program for incoming students. “We may have been over 100 by the time the afternoon sessions were finished,” noted Deena Rodgers, a member of the Student Services staff who helped organize the program.

For students who were unable to attend an orientation program, Rodgers said that general registration will be August 13-14, with classes beginning on August 17.

She added financial aid distribution will be August 11-12, 9 a.m. to 6 p.m.

Among the programs presented during the summer orientations was one on security and parking on the New River Greenbrier Valley Campus. Linwood Evans of Lewisburg, director of security for the Lewisburg campus, explained to the students and their parents that “The Greenbrier
Valley Campus is a safe campus. We have seldom had any kind of problem, and those we have had have generally had a happy ending."

This summer, a student lost $40 cash she had just received from her employment, Evans said, and she "moped" around for a week without checking in the college offices. When she finally asked Evans, he informed her that the money had been turned in to the College office less than an hour after she lost it.

For information on the courses of study and classes offered at New River Community and Technical College Greenbrier Valley Campus, telephone 304-647-6560 or visit www.newriver.edu.

The offices at New River GVC are open Monday through Friday, 8 a.m. to 4:30 p.m. Monday through Friday to assist prospective students with the admissions process and to lead the students through the search for possible financial aid which is still available.
