NEW RIVER ACCEPTS LATE REGISTRATIONS THROUGH AUGUST 21

Area residents have until August 21 to register for remaining seats in classes at New River Community and Technical College. Late registration begins the first day of classes, August 17, and is available on a first-come, first-served basis at all New River Campuses.

“We sometimes find students who have tried another college in that first week and found they do not like it, so they come back home and register with us during this late registration period,” notes Roger Griffith, dean of the New River Greenbrier Valley Campus. “This later registration period is open to anyone wishing to take classes for the fall semester, even though they may have missed a class meeting during the first week of the semester.”

To register, prospective students need to contact the campus best served by them during the normal office hours which are 8 a.m. to 4:30 p.m. Monday through Fridays.

New River has campuses in Raleigh County in the Harper Industrial Park, Beckley and at the Public Higher Education Center, Beaver, 304-255-5812; Mercer County at the Mercer County Technical Center, Princeton and 219 Rock Street, Bluefield, 304-327-4071; Greenbrier Valley, 101 Church Street, Lewisburg, 304-647-6560; and Nicholas County, 6101 Webster Road, Summersville, 304-872-1236.

New River serves Fayette, Greenbrier, Mercer, Monroe, Nicholas, Pocahontas, Raleigh, Summers and Webster counties and surrounding areas. A full listing of fall semester classes can be found at www.newriver.edu.
