New River Community and Technical College will offer a PowerPoint workshop on Monday, April 27. This informative class will teach you everything you need to know to design dynamic and attention grabbing presentations using pictures, graphics, and animation.

This one-day workshop will start at 6 p.m. at the Beckley Campus, 167 Dye Drive. If you would like to learn how to make a memorable presentation for work, a wedding, birthday, anniversary, or any other special occasion, this is the class for you. Participants should be comfortable using a mouse.

This course is taught by an experienced friendly instructor and is open to anyone wanting to learn a new skill. Call the continuing education department at (304) 872-4520 for more information and to register. Class size is limited and pre-registration is required. Tuition is $25.
