Microsoft Publisher Workshop Offered at New River Nicholas County Campus in Summersville

[SUMMERSVILLE, WV] New River Community and Technical College will offer a Microsoft Publisher workshop on Tuesday and Thursday, March 2 and 4, at the Nicholas County Campus in Summersville, WV.

This informative workshop is taught by New River employee Mary Igo. Participants will learn the basics of using Publisher to design dynamic and attention-grabbing flyers, brochures, business cards, programs or menus. This course is for anyone wanting to learn to use Microsoft Publisher for desktop publishing in your home, small business, or community organization. Participants must be familiar with using a mouse and keyboard.

This two evening workshop will be held at 6 p.m. and is open to anyone wanting to learn a new skill. Call the Workforce Education Department at (304) 872-4520 for more information and to register. Igo will also offer the Publisher Workshop at New River’s Beckley Campus on March 23 and 25.
