New River CTC Introduces New Online
"Introduction to QuickBooks 2009" Course

[Beckley, WV] – New River Community and Technical College has a program that makes it easy to take high-quality, noncredit online courses. The college has partnered with ed2go to offer hundreds of online, instructor-facilitated courses and is pleased to announce the launch of "Introduction to QuickBooks 2009." This course will teach owners of small to midsized businesses how to use QuickBooks 2009 to gain control over all financial aspects of their business.

"Introduction to QuickBooks 2009" is part of New River’s growing catalog of more than 300 instructor-facilitated online courses. Through well-crafted lessons, expert online instruction, and interaction with fellow students, participants in these courses gain valuable knowledge at their convenience. They have the flexibility to study at their own pace combined with enough structure and support to complete the course. And they can access the classroom 24/7 from anywhere with an Internet connection.
New sessions of each course run every month. They last six weeks, with two new lessons being released weekly (for a total of 12 classes). The courses are entirely web-based with comprehensive lessons, quizzes, and assignments. A dedicated professional instructor facilitates every course; pacing learners, answering questions, giving feedback, and facilitating discussions. Tuition for each course is $79.
