SPRING PREREGISTRATION UNDERWAY AT NEW RIVER GVC

[LEWISBURG, WV] Students planning to attend New River Community and Technical College Greenbrier Valley Campus can preregister now for spring classes, according Roger Griffith, dean of the New River GVC.

“We are offering quite a variety of classes and courses of study for the second semester in answer to requests of our present students and following some suggestions area residents have made,” Dean Griffith announced.

In addition to offering the traditional second semester classes, the New River GVC will offer “first semester at second semester” for the benefit of the prospective student who can only now start their college program. Most first semester core classes will be offered second semester.

“We designed our offerings also with the economic climate in mind,” Griffith said, noting “The Greenbrier Valley Campus is offering classes to help students increase their ‘employable skills’ for continuing in or being promoted to a better employment situation.”

One timely new class being offered in the Administration course of study is Grants and Grant Writing which will be taught by Doug Hylton of Ronceverte on Tuesday evenings 7 p.m.
to 9:50 p.m., “We will add other classes as the Valley residents recommend the possibilities to us,” Griffith concluded.

Among the classes being offered are Human Behavior and Social Environment; Elementary Spanish; Social Deviance; Evolutionary Psychology; Office Accounting; Records Systems; Keyboarding and Document Processing I and II; Physical Geology; Physical Science; Principals of Phlebotomy; Medical Coding/ICD-9-CM; Medical Coding/CPT&HERS; Medical Insurance Billing;

Also, Discrete Math; Elementary Statistics; Advertising and Promotion; Consumer Behavior; Small Business Management; Supervisory Management and Team Leadership; Machine Tool Skills (Welding); Introduction to Welding I and II; Gas Metal Arc (Mig); Oxyfuel Cutting; Medical Assisting Seminar; Clinical Procedures; Advance Clinical Procedures; Clinical I; Introduction to Medical Assisting; Basic Skills Pharmacologic Principles;

And, Civil Litigation; Law of Domestic Relations; American Cinema; Introduction to Spa Management; Housekeeping Management; Front Office Procedures; American Colonial History; Introduction to Geography; Physical Geography; Adolescent Literature; Linguistics; Regional and Ethnic Literature; Major British Authors; Technical Writing; Sign Language; Diversity in Education; Principles of Economics I and II; Domestic Violence; Juvenile Delinquency; Police and Community Relations; Criminal Procedures and Evidence;

Photography; Career and Professional Development; Microsoft Excel; Microsoft Access; Business and Electronic Communications; Desktop Publishing and Presentation; Business Law and Legal Environment; Word Processing and the Internet; Human Anatomy and Physiology I and II; Primate Behavior; General Biology; Advanced Ceramics; Drawing I; Introduction to Digital Photography; Principles of Accounting I and II and Cost Accounting.
To register for any of the 201 classes being offered for the Spring semester, telephone 304-647-6560 or write or visit the Greenbrier Valley Campus at 101 Church Street, Lewisburg, 24901.

Classes begin January 20, but students can preregister now, Monday through Friday, 8 a.m. to 4:30 p.m. or other times by appointment. The college will be closed for the holidays Dec. 24-Jan. 4.

New River Community and Technical Colleges serves a nine county area of central and southern West Virginia from locations in Beckley at 167 Dye Drive in the Harper Industrial Park; Beaver at the Public Higher Education Center; Bluefield at 219 Rock Street; Nicholas County at 6101 Webster Road, Summersville; and the Greenbrier Valley Campus at 101 Church Street in Lewisburg.
