VETERANS UPWARD BOUND SERVICES AVAILABLE IN NEW RIVER’S SERVICE AREA

[BECKLEY, WV] Services offered through the nationally acclaimed Veterans Upward Bound program are once again available in the nine counties served by New River Community and Technical College through a co-operative program with Veterans Upward Bound at Davis and Elkins College.

Curtis Pauley of Alderson has been approved to serve the needs of the veterans of any branch of service in the Mercer, Monroe, Raleigh, Fayette, Greenbrier, Pocahontas, Summers, Nicholas and Webster county areas.

In order to best serve the veterans in their transition from military life to college, Pauley has established a regular schedule throughout the area where he can meet with veterans who are interested in trying college free through the remedial mathematics, English, and beginning computers classes offered exclusively for veterans in the Upward Bound program.

On Mondays, Pauley will be on the New River Community and Technical College Greenbrier Valley Campus, 101 Church Street in Lewisburg, in Room 215 of Greenbrier Hall; Tuesdays he will be on the New River CTC Nicholas County Campus at 6101 Webster Road in Summersville.

Pauley will alternate Wednesdays between Marlinton and Fayetteville offices of Workforce West Virginia. Thursday mornings he will be at the New River CTC Beckley Campus on 167 Dye Drive in the Harper Industrial Park. Thursday afternoons he will be in his office at Workforce West Virginia in Beckley.
Fridays Pauley will be at Workforce West Virginia in Princeton to serve veterans in the Mercer, southern Monroe, and Summers county area.

His office hours each day will be 8 a.m. to 4:30 p.m. and he can be reached at 304-445-2077 anytime or at fish_vet@excite.com.

An experience counselor, Pauley notes that “I am here to help any veteran of any branch of service receive the training he wants with as much help as he needs at any college, university, or post-secondary school.”

He also noted that any veteran living outside the nine counties mentioned can receive his help by contacting him at one of his offices or via telephone or e mail. “We can serve veterans from nearby Virginia or surrounding counties like McDowell, Wyoming, Boone, Clay, and Braxton,” he continued.

“The veterans have earned any support we can give them and I just hope every veteran in our area will contact me so we can show our support for their future as a thank you for their service in the past,” Pauley concluded.
