

JOB POSTING

CNA Instructor

(Temporary, Non-Benefits Eligible - Raleigh County Campus)

Summary of Responsibilities:

The successful candidate will be responsible for teaching a full range of courses in the CNA program on the Raleigh County Campus of New River Community and Technical College. This position is for the Raleigh County Campus, but may involve travel to other campuses for day, evening, and or/weekend classes. Duties include maintaining knowledge of current related state and federal requirements, curriculum and program review, supervision of trainees through testing and clinical review, excellent communication skills, and maintaining professional growth and instructional skills.

This is a contracted, temporary, non-benefits eligible position.

Position may require travel between campuses.

Education:

A Bachelor's degree in Nursing is required.

Experience:

Additional experience as a CNA instructor preferred. A minimum of 3 years supervisory experience in the field of nursing is required, long term experience preferred. The successful candidate must be capable of assessing, planning, implementing, instructing and evaluating the CNA program. Must be a graduate of an accredited school of nursing. The successful candidate must have a valid nursing license with sufficient experience and training to be qualified as a certified CNA instructor, and have completed the Educate the Educator training. Must meet the instructor requirements of our nursing regulating body.

Reports to: Campus Dean

Classification/Compensation:

Applications:

Applicants must submit a cover letter to include position of interest, résumé, contact information for three references and copies of college transcripts to:
