

Who will you discover?

Genealogy Basics

Genealogy Basics will help you understand the genealogy research process and the way we interpret the information we find. This course guides you through the search process for family names using several subscription-based Web sites, which you can access while you're enrolled in the class. Along the way, you'll learn through hands-on examples that help you dig deeper into your family's past. You'll develop a strategy to accomplish your objectives, evaluate the results, and share that information with others. You'll discover, in simple terms, where to look, who to contact, and how to make your family history come alive.

Session Start Dates: April 21, May 19, June 16 • Class Fee: \$89
