Knitting Class

This six-week class gives new knitters and former knitters many of the skills needed to become life-long knitters. While knitting a Fabulous Felt Tote, you will learn the two basic stitches of knitting, how to cast on and bind off, how to read a pattern and how to execute 2 different stitch patterns. There is homework for this class. The first session will include an overview of fibers and the selection of supplies. Just in time for holiday gift giving, Dawn Persinger will teach you all you need to know to make a unique gift for someone special or to keep for your own. The class size is limited for optimal hands-on instruction so register today to insure your spot in this exciting new class!

Class will be held at the Summersville Campus of New River Community and Technical College *6101 Webster Road*
