SECTION 8. PURCHASE OR ACQUISITION OF MATERIALS, SUPPLIES, EQUIPMENT, SERVICES, CONSTRUCTION AND PRINTING

- 8.1 Unless otherwise authorized by law, all purchases or acquisitions of materials, supplies, equipment, services, construction and printing shall be awarded by competitive bidding, except as provided in the following paragraphs of this rule:
- (a) Purchases not exceeding \$10,000
 - (b) Competitive sealed proposals;
 - (c) Competitive selection procedures for professional services;
 - (d) Sole source and single source procurement;

- (e) Emergency procurement;
- (f) Open end and federal contracts; and (g) Essential services.

- 8.2 Specifications shall be written to maximize and encourage competition. In certain cases, a "brand name or equal" may be used as a specification.
- 8.3 All purchases and acquisitions shall be made in consideration of and within limits of available appropriations and funds and in accordance with applicable provisions of West Virginia Code §5A-2, relating to expenditure schedules and quarterly allotments of funds.
- 8.4 Award shall be made to the lowest responsible and responsive vendor. In determining the lowest responsible and responsive vendor, consideration will be given to such factors as quality (meeting specifications), price, time of delivery, cost of delivery, and other terms and conditions considered prudent. Unit prices shall prevail in all cases when there is a conflict between the unit price and extended price. In some cases multiple and/or split awards may be made when determined to be in the best interest of the institution. Occasionally, purchase orders may be issued which impose no obligation to take delivery of a product and/or service and as such, these purchase orders shall be issued as blanket purchase orders or price agreements. In situations where vendors are competing to provide a service that will generate income for an institution the award shall be made to the highest responsible and responsive bidder, taking into consideration the above factors.
- 8.5 The chief procurement officer may accept or reject, in whole or in part, any bid or proposal when the chief procurement officer believes it to be in the best interest of the institution. If any bid or proposal is rejected, a written explanation shall be placed in the purchasing file.
- 8.6 When tie bids or proposals are received, the tie shall be broken and an award made by allowing the tied vendors to make a "last and final offer." If a tie bid is not broken by a "last and final offer," then the tie may be broken by a flip of a coin, draw of the cards or any other impartial method deemed prudent by the chief procurement officer.
- 8.7 Except for exemptions granted in the West Virginia Code, all material, supplies, equipment, services and printing made upon competitive bids or proposals shall be subject to any resident vendor preference set forth in the West Virginia Code.
- 8.8 The chief procurement officer shall determine the applicability and amounts of bonds and/or deposits required of a vendor at any time, if, in his or her judgment, such security is necessary to safeguard the institution from undue risk. The chief procurement officer may require the vendor to submit a certified check, certificate of deposit, performance bond, or any other security acceptable to the chief

procurement officer, payable to the institution. Personal checks and/or company checks are not acceptable. When a contract has been satisfactorily completed on which a surety bond or other deposit has been previously submitted, the spending unit shall certify the completion in writing to the chief procurement officer. The chief procurement officer, upon receipt of the notification, shall return the check or deposit to the vendor.

8.9 Purchases not exceeding \$5,000

8.9.1 The chief procurement officer shall establish institutional guidelines and procedures for purchases not exceeding \$5,000. These guidelines and procedures shall provide for obtaining adequate and reasonable records to properly account for funds and to facilitate auditing. They shall be approved by the president, shall be on file in the institution's purchasing office and made available to the public upon request.

8.9.2 Purchases in this category do not require competitive bids or quotations.

8.10 Purchases greater than \$5,000 but not exceeding \$15,000

8.10.1 Insofar as practical for purchases in this category, no less than three qualified vendors shall be solicited to submit written quotations or oral quotations that are recorded by the chief procurement officer or buyer and placed in the procurement file. At the discretion of the chief procurement officer, facsimile and electronically transmitted quotations may be accepted from vendors. Award shall be made to the responsible and responsive vendor meeting the requirements of the specifications and offering the lowest acceptable quotation, taking into consideration the factors set forth in paragraph 8.4 of this rule.

The procurement file shall, at a minimum, contain the following:

- (a) The vendor's name and address;
- (b) The name and title of the individual quoting the price;
- (c) The manufacturer and model number or description of the item(s) offered;
- (d) The unit price and extended price for each item;
- (e) The payment terms, FOB point, and other applicable conditions;
- (f) The quoted delivery date; and
- (g) The signature of the individual quoting the price if the quotation is written by the vendor, or the signature of the person receiving and recording the quotation.

8.11 Purchases Greater than \$15,000

- 8.11.1 Competitive sealed bidding is the preferred method for purchase and acquisition of materials, supplies, equipment, services, construction and printing greater than \$15,000.
- 8.11.2 The chief procurement officer shall advertise for bids on all purchases exceeding \$15,000. The advertisement shall appear no less than 14 calendar days prior to the date bids are due.
- 8.11.3 In addition to the advertising requirement set forth in subparagraph 8.11.2, for printing services exceeding \$15,000 bids shall also be advertised by written notification of such bids to any print shop affiliated with an institution of higher education and operated by classified employees no less than 14 calendar days prior to the date bids are due.
- 8.11.4 The chief procurement officer shall, in addition to advertising, post notice of all acquisitions and purchases for which competitive bids are being solicited in the purchasing office of the institution involved in the purchase no less than 14 calendar days prior to making such purchase and shall ensure that the notice is available to the public during business hours.
- 8.11.5 Bids shall be delivered to the specified location for receipt of bids by the bidder prior to the date and time of the bid opening according to the instruction contained in the request for bids and any addenda or modifications officially issued.
- 8.11.6 Bids not properly delivered or received after the required time and date shall not be opened and shall be returned to the bidder.
- 8.11.7 The bid shall be signed by an authorized agent of the bidder. A corporate signature without an individual name shall not be construed as an acceptable signature.
- 8.11.8 Facsimile and electronically transmitted bids are not acceptable for bids over \$25,000.
- 8.11.9 A bidder may make a written modification to a sealed bid prior to the bid opening, provided modifications are made by the bidder in such a manner that the bid price is not revealed or known until the bid is opened. Written modifications must be received by the chief procurement officer prior to the date and time of the bid opening. Facsimile and electronically transmitted modifications are not acceptable.

- 8.11.10 Originals or copies of bids shall be available for public inspection after the bid opening. Vendors may designate in writing with the bid submission information contained within the bid constituting trade secrets, pursuant to West Virginia Code §29B-1-4(1), which shall be exempt from disclosure. The purchasing files shall be open for public inspection after the award has been made, except for information qualifying for the exemption set out above.
- 8.11.11 The chief procurement officer may reject an erroneous bid after the bid opening, upon request of the bidder, if all of the following conditions exist: (a) an error was made; (b) the error materially affected the bid or proposal; (c) rejection of the bid or proposal would not cause a hardship on the institution other than losing an opportunity to receive materials, supplies, equipment, services, construction and/or printing at a reduced cost; and (d) enforcement of the part of the bid or proposal in error would be unconscionable. In order to reject a bid or proposal, the purchasing file must contain documented evidence that all of the above conditions exist.
- 8.11.12 Price and other adjustments shall be allowed on any purchase order if specific provisions for adjustments have been incorporated in the prescribed forms and the purchase order. All such requests for adjustments shall be made in accordance with the specific terms and conditions of the individual purchase order. In the event no provision for adjustments has been made, discretion to grant adjustments shall rest with the chief procurement officer.
- 8.11.13 Every person, firm or corporation selling or offering to sell to the Commission, Governing Board and its institutions, materials, supplies, equipment, services, construction and printing, upon competitive bid or otherwise, in excess of \$15,000 per order, shall be registered with the West Virginia Department of Administration, Purchasing Division, pursuant to West Virginia Code §18B-5-5 and §5A-3-12. Purchase orders in excess of \$15,000 may not be issued to any vendor not properly registered with the West Virginia Department of Administration, Purchasing Division.
- 8.11.14 Contracts and purchase orders that are competitively bid and exceed \$50,000 shall be approved by the Attorney General or as may be required by law. Contracts and purchase orders that exceed \$15,000 shall be filed with the State Auditor.

8.12 Vendor's Rights and Duties

- 8.12.1 Each vendor is solely responsible for delivery of its bid or proposal to the designated location for receipt of bids or proposals prior to the specified date and time of the bid or proposal opening.
- 8.12.2 If there is a conflict between the extension price and the unit price, the unit price shall prevail.
- 8.12.3 Any changes made by the vendor in the specifications listed in the bid request must be clearly stated. If changes are not stated, it will be assumed that items offered meet the specifications in all respects.
- 8.12.4 Vendors are responsible for the accuracy of the information in their bid or proposal and on the bid or proposal envelope.
- 8.12.5 All sales to the Commission and the Governing Boards are exempt from West Virginia consumer sales tax or excise tax by blanket state exemption and blanket federal exemption.
- 8.12.6 It is the vendor's exclusive duty and obligation to file protests and requests for reconsideration according to the requirements of Section 9, and for reconsideration of suspension, in accordance with the requirements of Section 10 of this rule; otherwise, they shall be waived.

8.13 Competitive Sealed Proposals

- 8.13.1 For purchases above \$25,000, competitive sealed bids are the preferred method of procurement; however, if it is either not practicable or advantageous, a contract may be entered into by a request for proposals. The words "practicable" and "advantageous" are to be given ordinary dictionary meanings. The term "practicable" denotes what may be accomplished or put into practical application. "Advantageous" connotes a judgmental assessment of what is in the institution's best interest. The key element in determining advantageousness will be the need for flexibility.
- 8.13.2 The request for proposal method of purchasing is used to obtain goods and services when sufficient knowledge or expertise does not exist to adequately specify the details of the desired result. The desired result is written into the request for proposals. The vendor responds to the request for proposals with a proposal identifying its intended approach to meet the desired result along with a proposed price or fee. Terms and conditions of the contract shall be included in a request for proposals, along with a preestablished award criteria based on value or points. Whenever desirable, interviews may be conducted with interested parties for

clarification and/or determination of qualifications and experience prior to award. Requests for proposals go beyond price alone. They also look at the vendor's ability and resources to furnish the desired service to get the desired result. Quality of service and performance are important considerations. Requests for proposals are primarily used for large dollar projects requiring a high level of expertise on the part of the vendor.

8.14 Competitive Selection Procedures for Professional Services

8.14.1 The competitive selection procedure for professional services is similar to the process used for competitive sealed proposals; however, greater weight is given to the ability to perform the service as reflected by technical training, education and experience, and in some cases, artistic and aesthetic values and capabilities. In these cases, price may be a secondary consideration.

8.14.2 Hiring of Architects and Engineers: The process for hiring architects and engineers is set forth in Chapter 5G of the WV Code. The Legislature has decided that it is the policy of the state, and its political subdivisions, to procure architectural or engineering services or both on the basis of demonstrated competence and qualification for the type of professional services required.

8.15 Sole Source and Single Source Procurement

8.15.1 The chief procurement officer may approve the purchase of materials, supplies, equipment, services, construction and/or printing directly from a vendor without competitive bid or proposals, if any of the following conditions exist: (a) the item cannot be obtained through ordinary purchasing procedures; (b) the item is of unique nature and not available from any other source; or (c) the item is available from a state spending unit or other institution with preference under the West Virginia Code, provided the price, availability and quality are comparable to those in the open market.

8.16 Emergency Procurement

8.16.1 Emergency purchases exceeding \$25,000 must receive the prior written approval of the chief procurement officer. An emergency situation requiring purchase of materials, supplies, equipment, services, construction or printing must be the result of unforeseen events or circumstances, including delays by contractors, delays in transportation, or an unanticipated volume of work. Emergency purchases shall not be used for hardship resulting from neglect, poor planning or lack of

organization by the spending unit. Competitive bids must be obtained if possible.

8.17 Open End Contracts and Federal Contracts

8.17.1 The Commission or Governing Board and its institution(s) may enter into open end contracts for materials, supplies, equipment, services, construction and/or printing to supply their respective needs in the form of statewide contracts, blanket orders or price agreements. Once issued, purchases and acquisitions may be made from these contracts without securing any other bids or quotations.

8.17.2 The Commission or Governing Board and its institution(s) may, without securing any other bids or quotations, make purchases from the federal government and from federal government contracts if the materials, supplies, equipment, services, and printing to be purchased are available from the federal government and from federal government contracts, if this is the most financially advantageous manner of making the purchase.

8.18 Essential Services

8.18.1 Essential services may be purchased and paid for by the Commission or Governing Board and its institution(s) without securing competitive bids or proposals or issuing purchase orders. Commodities in this category may include but are not limited to utilities of all kinds; postage; items for resale; municipal, county, state, and federal fees; student awards, stipends, loans and grants; shipping and freight charges; tuition and registration fees and refunds thereof; professional dues; etc. The Vice Chancellor for administration shall issue guidelines for the purchase of and payment for essential services.

8.19 Motor Vehicle Purchase

8.19.1 The purchase and leasing of motor vehicles shall be consistent with this rule, and guidelines and procedures adopted by the Commission, the Governing Board and the Vice Chancellor for Administration.

8.20 Procurement File

8.20.1 The chief procurement officer shall maintain a purchasing file for each procurement or acquisition. This file shall contain all relevant information pertaining to such purchase or acquisition, including but not limited to: (a) bids, proposals or quotations received in response to a request for sealed bids or proposals; however, an unopened bid or proposal shall not be

considered a public document or record; (b) identification and certification of the successful bid; (c) why any bid or proposal is rejected in whole or in part; (d) justification for award to other than the lowest vendor; and (e) vendor protests or complaints. The purchasing file shall be a public record open to inspection during normal business hours. No records in the purchasing file shall be destroyed without the written consent of the Legislative Auditor, except as set forth in subparagraph 8.20.2.

8.20.2 Those files in which the original documentation has been held for at least one year and in which the original documents have been reproduced and archived on microfilm or other equivalent method of duplication may be destroyed without written consent of the Legislative Auditor. All files, no matter the storage method, shall be open for inspection by the Legislative Auditor upon request.

8.21 Report Card on West Virginia Businesses

8.21.1 Each institution shall prepare an annual report, in the format prescribed by the Vice Chancellor for Administration, which shall include but not be limited to, information regarding the number of out-of-state entities with which the institution contracted, the number of in-state firms with which the institution contracted, the dollar amount of each contract, the equipment, commodity or service for which the contract was let, and the institution's recommendations, if any, on the manner in which purchasing procedures can be improved. This report shall be submitted to the Vice Chancellor for Administration by the first day of October for the preceding fiscal year.

8.21.2 The Vice Chancellor for Administration shall compile the reports submitted by each institution and consolidate the data into the Commission's annual Report Card which is to be submitted to the finance committees of the House of Delegates and the Senate by the fifteenth day of January of each year.

8.22 Approval of Lease-Purchase Arrangements for the Governing Boards

8.22.1 After the Commission has granted approval for lease-purchase arrangements by a Governing Board, the Governing Board may enter into lease-purchase arrangements for capital improvements, including equipment.

8.22.2 Proposals for any lease-purchase arrangements shall be made in accordance with West Virginia Code §18B-5-4(q). The Chancellor shall establish

guidelines and a format for receiving, considering and approving such proposals.

SECTION 9. PROTESTS AND RECONSIDERATION

9.1 Protests and requests for reconsideration of a decision made by a chief procurement officer may only be made by a person and/or vendor who is a potential or actual bidder on that particular contract and/or purchase.

9.2 Protests

9.2.1 Protests based on specifications or improprieties in any type of solicitation which are apparent or should have been apparent prior to the bid or proposal opening or closing date must be filed not later than five calendar days prior to the bid or proposal opening or closing date. A protest of the award must be filed no later than five calendar days following the notice of the institution's intent to award the contract as posted in the institution's purchasing office for competitive transactions greater than \$5,000. Protests filed prior to five calendar days following the notice of intent to award shall be resolved in accordance with this rule before an award is made. Information regarding awards may be obtained from the institution's purchasing office, and a vendor contemplating a protest has a duty to obtain this information in a timely manner.

9.2.2 The protest must be filed in writing with the chief procurement officer and contain the name and address of the protestor, the requisition number of the bid or the purchase order number, a statement of the grounds for protest and supporting documentation, the relief sought, and if a hearing on the merits of the protest is requested.

9.2.3 The chief procurement officer shall review the protest and issue a decision in writing. In the event a hearing on the merits of the protest is requested by the protestor, the chief procurement officer shall set a time and place for the hearing. The hearing shall be recorded and an official record shall be prepared. Following the hearing, the chief procurement officer shall issue a written decision.

9.3 Reconsideration

9.3.1 Reconsideration of a decision on a protest by the chief procurement officer may be requested by an aggrieved party to the institution's chief financial officer. A request for reconsideration shall be made in writing within five calendar days after receiving the chief procurement officer's written

decision and it shall contain the name and address of the aggrieved party, the requisition or purchase order number, a statement of the grounds for reconsideration with supporting documentation, the relief sought, and if a hearing on the merits is requested.

- 9.3.2 The chief financial officer shall review the request for reconsideration and issue a decision in writing. In the event a hearing on the merits is requested by the aggrieved party, the chief financial officer shall set a time and place for the hearing. The hearing shall be recorded and an official record shall be prepared. Following the hearing, the chief financial officer shall issue a decision in writing to the aggrieved party and his or her decision shall be final.
- 9.3.3 The chief procurement officer and chief financial officer may refuse to decide any protest or reconsideration where the matter involved is the subject of litigation before a court of competent jurisdiction, or has been decided on the merits by such court. The foregoing shall not apply where the court requests, expects or otherwise expresses interest in the decision of the chief procurement officer and chief financial officer.

SECTION 10. SUSPENSION AND RECONSIDERATION

10.1 Suspension

- 10.1.1 The chief procurement officer shall have authority to suspend, for a period not exceeding one year, the right and privilege of a person to bid on purchases of the institution.
- 10.1.2 The following shall be considered adequate grounds for suspension of a vendor: (a) a vendor has exhibited a pattern of poor performance in fulfilling its contractual obligation(s) including, but not limited to, providing or furnishing commodities, materials, services or construction late, or at a quantity or quality level below that which is specified in the contract, or repeated instances of poor performance; or (b) the vendor has breached any contract entered into pursuant to the provisions of West Virginia Code §18B-5-4 through §18B-5-7 or this rule, or the vendor has been convicted of any federal or state law punishable as a felony if such conviction is directly related to the performance of a contract entered into pursuant to West Virginia Code §18B-5-4 through §18B-5-7 or this rule.
