

NEW RIVER COMMUNITY AND TECHNICAL COLLEGE
OPERATING RULE 11 (OR-11)
Effective Date – March 1, 2010

RULE: Website

RATIONALE: To define a scope and process for the development, upgrade and maintenance of the New River website.

OPERATING RULE STATEMENT

New River Community and Technical College supports the development of an institutional website and a set of processes by which web pages can be developed for inclusion on the institutional server. The purpose of this policy is to set parameters for development of web pages at New River. It will describe what is and is not appropriate, and it will determine the process for submission of web pages for inclusion on the New River website.

DATE APPROVED: March 1, 2010

DATE REVISED:

RELATED RULES/POLICIES/PROCEDURES: Procedure No. 15 “Website”; New River Policy D.1400, “Computer Use and Abuse Policy”

RESPONSIBLE OFFICE: Chief Communications Officer, Vice President Technology Services
