**RECOMMENDATION FORM FOR PROVISIONAL STATUS
PARENT OR GUARDIAN PERMISSION**

I give permission for (**printed name of student**) _____
to register for college credit through New River Community and Technical College. He/she will be considered enrolled at New River CTC as a part-time college student once registered for classes. This provisional form is consent to register for a course and/or courses, however, this is not a registration form.

I understand he/she will have an official transcript and a college grade will be recorded for each class registered. If he/she decides not to finish a course, I understand he/she must complete a **drop form** (removing the course, leaving him/her enrolled in other coursework) or he/she must complete a **withdrawal form** (to remove all coursework) by the college's set date.

Information may be found at www.newriver.edu, under the *Current Students tab*, scroll over *Academics* and select *Academic Calendar* for withdraw deadline dates or it may be viewed in the College Catalog.

It is the student's responsibility to drop or withdraw from coursework or a grade will be assigned for each course, participating or not.

Drop or withdrawal forms should be requested through the college Registrar's Office by e-mail, registrar@newriver.edu or by calling 304-929-5032.

Once a registration form is completed, returned and entered by New River CTC Office of Admissions, along with an application for admission and this form, a student is considered enrolled (registered). A student must meet pre-requisites or meet placement scores in order to register in certain courses.
