Students, employees, and the general public should listen and/or watch news media and review the College website, social media, and/or alert messaging system for cancellation or closure information.
- C. President's Responsibility - The President or her/his designee will determine if it is necessary to close a facility (College Facility Closure). Annual leave must be used per Section 6B of this procedure. Additionally, all classes and public meetings/events/activities scheduled at the facility will be canceled. The closure of a campus requires only essential personnel to report to work. The essential personnel for the campus consist of the **Regional Director of Operations and/or Vice Presidents and all maintenance personnel**. The non-exempt essential employees will be eligible for overtime or compensatory time. If classes are canceled and the College remains open, all employees are required to report to work at their regularly scheduled time.

Employees are encouraged to use discretionary judgment in their decision to report to work. Those not reporting must take annual leave. Additionally, public meetings/events/activities scheduled during affected hours may be rescheduled. College employee(s) responsible for scheduling the event must contact the parties affected.
  - G. Class Cancellation – If cancellations or closures cause the loss of instructional time, faculty members have the responsibility for making up instructional time lost. Public meetings/events/activities scheduled during affected hours may or may not be rescheduled. College employee(s) responsible for scheduling the event must contact the parties affected.
- If an IVN receiving campus is closed, the originating site will record the class and forward a copy of the recording to the closed site. If the originating site cancels the class, all sections will be canceled.
- H. Off-Campus Facility Closure – In the event that an off-campus instructional facility (i.e. high school or technical school building) is closed, New River CTC’s classes in that facility will not be held. Section 6B of this procedure must be followed regarding employee absences and notification of employee absences.
