INDUSTRIAL TECHNOLOGY ADVANCED SKILL SET CERTIFICATE (ASSC) [PROGRAM HOURS: 15]

Gain entry-level knowledge and experience in the field of industrial technology. This program gives students an introduction to the latest techniques in precision mechanical engineering, controls theory, computer science and electronics. Students wishing to continue their education may choose to ladder into the certificate program or the Associate of Applied Science Degree program. State and federal financial aid are not available for advanced skill set certificates.

Program Contact: Charles Coates, ccoates@newriver.edu, 304-929-3306

INDUSTRIAL TECHNOLOGY CERTIFICATE OF APPLIED SCIENCE (CAS) [PROGRAM HOURS: 30]

 Secure additional employment related skills within a year. The certificate program builds on the courses offered in the skill-set adding a second semester of coursework.

INDUSTRIAL TECHNOLOGY ASSOCIATE OF APPLIED SCIENCE (AAS) [PROGRAM HOURS: 60]

 Industrial Technology is where mechanics, electronics and controls intersect. The Associate of Applied Science Degree in Industrial Technology is a focused, career-oriented program that brings the latest techniques in precision mechanical engineering, controls theory, computer science and electronics together in the design process to create more functional and adaptable products.
