Catalog: 2026-2027 College Catalog
Program: Business: Artificial Intelligence AAS
Minimum Credits Required: _____

Business: Artificial Intelligence AAS

Graduates of this program will be prepared for entry-level roles in a variety of business environments. The degree will also serve as a pathway for further studies in business administration, information technology, or AI-related fields. By integrating AI into the associate-level business curriculum, this program aims to address workforce needs and empower students to thrive in a rapidly evolving digital economy.
