Criminal Justice CAS

The Certificate of Applied Science in Criminal Justice prepares students with foundational knowledge and practical skills essential for entry-level careers in the criminal justice system. Through rigorous coursework, ethical inquiry, and applied learning opportunities, the program equips learners to understand the roles, responsibilities, and challenges of law enforcement courts, and corrections. Our mission is to develop capable, service-oriented professionals who uphold justice, demonstrate integrity, and contribute to the safety and well-being of their communities.
